Girl Scout Week
March 9-15

You can count on her
—to be of service

OBSERVANCE OF GIRL SCOUT WEEK is nationwide and will be held March 9 thru 15. This is the 46th anniversary of the start of the Girl Scout movement. Juliette Low founded Girl Scouting at Savannah, Ga. on March 12, 1912.

On Sunday, March 9 all Girl Scouts are slated to attend the church of their choice, in a group and in uniform, in honor of Girl Scout Week.

Orland C. of C. Will Discuss Transportation Needs Thursday

An important meeting of the Orland Park Chamber of Commerce will be held at 8 p.m. in the grade school, 143rd and West ave., Thursday, March 6.

An open discussion of the problems involved in the bus transportation from Orland Park to the Chicago Loop will be the main issue in the general session.

It is expected that representatives of bus lines will be on hand to explain the difficulties involved in furnishing such transportation.

The public is invited to attend the meeting.

A mixed octet from Carl Sandburg High school concert choir will render several selections for entertainment of those attending.

Members are Marsha Vleck, Lee Heinen, Debbie Radosovich, Joyce Kasper, Doane Morgenthaler, Ron Bergman, Jim Beck and Ed Rapp. Solos will be sung by Marsha Vleck and Doane Morgenthaler, who won first place in the Illinois High school association district music contest last Saturday.

Orland Will Elect 2 to Grade School Board on April 12

At the regular school board election on April 12, two members will be elected for three year terms on the Orland Park Elementary school board.

Incumbent board members whose terms expire are Ralph Agate and Kenneth Halvorson. The last day for filing petitions for the nomination of candidates is March 22. Petitions may be secured from the secretary of the board, Mrs. Marguerite Carroll, 138th st. and 79th ave., Laguna Woods.

Caucus to Select High School Board Candidate March 17

The nominating committee of the Caucus, composed of representatives of all Orland Park organizations, will present a slate of candidates to serve on the Carl Sandburg high school board of education at a meeting in the school at 8 p.m. Monday, March 17.

From the list of prospective candidates, the Caucus will select three to run for election on April 12.

Preparation and filing of the petitions will be handled by the nominating committee.

Anyone who desires to serve on the high school board may file a petition, signed by 50 voters in the school district regardless of what the Caucus does.

Lincoln-Way High Sandburg Will Send 30 to State Finals

Frankfort Adopts 20-Year Plan For Park and Recreation Program

A 20-year plan for the development of park and recreation facilities for Frankfort was approved by the village board there Monday night.

Mayor George Sangmeister said that it was expected to start the program this spring with some landscaping and tree planting.

A Joliet architectural and engineering firm, Alexander, Borkon and Westphal, has been retained to develop the program for the 20 acres comprising Frankfort's park at Locust and Nebraska streets.

Looking to the future the program includes the building of a swimming pool, pavilion-concession facilities, automobile parking, a pitch and putting green, an archery range, horseshoe courts, football and soccer fields, a skeet shoot, baseball diamond, bleachers and picnic grounds.

There is a baseball diamond already available, including lights, but until the lights are extended, the field is too small for night baseball games. The lights now are installed to serve Small Fry, Pony League and softball teams.

Some \$4,000, receipts from the Centennial celebration held at Frankfort in the summer of 1956, is available to get the program started.

Where the remainder of the money needed for the project will come from has not been determined. Those supporting it are confident that funds will be forthcoming when required.

Mokena Girl Scouts To Launch Cookie Sale Next Week

The Mokena Girl Scouts are launching a cookie sale from March 7 to 14.

This will become an annual project of the Scouts, the receipts from which will be placed in a camping fund to be used as follows:

1. To bolster the present camping program held on leased, rented or loaned sites.

2. To build a nest egg with which to develop a site of their own. (Although Girl Scouting was established here 35 years ago, they own no camp site.)

The public will wish to support this worthwhile project by buying cookies.

Mrs. Robert Gilmore, cookie chairman, requests all orders be turned in to the cookie captain by March 15.

The cookies will be delivered by the Scouts on April 11, 12 and 13. All cookie sales are final as none can be returned.

The demand for free advice is never equal to the supply.

Mokena School Selects Cast For Operetta

The cast for the spring operetta, "Hold That Curtain" to be presented by the Mokena grade school, March 27, was announced this week by Glenn L. Miers, music instructor.

Steve Lindsey, a popular high school boy who has lead in school operetta will be played by Dennis Porick. Ellen Montgomery, who has the girl lead in the school operetta will be played by Carol Sherwood.

Others in the cast include Karen Yunker as Gloria Leblanc, the school snob; Judy Myszkewig as Miss Bisbee, the dramatics teacher; Betty Lehmann as Elizabeth Q. Greentree, an intellectual girl; Jean Kozumplik as Dorothy Johnson, Ellen's best friend; Kenneth DeCamp as Douglas Hillman, Gloria's shadow; and Steve Smith as Theodore Brown, a quiet boy who operates the lights for the operetta.

Selections are still being made for the dancers and the chorus.

SCHOLARSHIP RUNNER UP

Don Lehmann, of Mokena, a senior at Lincoln-Way high school and a runner up in the 1957-58 National Merit Scholarship competition, was commended by the scholarship corporation for his outstanding performance on a nationwide aptitude test, according to word received by Supt. A. Hunter Chapman.

Lincoln-Way FHA Group to Give Style Show on TV Friday

The Future Homemakers of America chapter at Lincoln-Way high school is to present a style show on TV tomorrow afternoon (March 7) at 5 o'clock. The event is to be telecast by WGN-TV, Channel 9. The show will be similar to program presented by the FHA at school at the Lincoln birthday assembly, Feb. 13.

Postpone Action on Church Road at Least Month

No action is expected for at least a month on the request of St. John's church for use of a 28½ foot strip of Mokena village park land for a roadway leading to the parking place at the north end of the church.

The matter had been referred to the Mokena Plan Commission by the village board and a preliminary hearing held Feb. 25 at the Carpenter st. school.

No representatives of St. John's church were present but there were some objectors who asked for more time in which to study the request and its possible effect on the Methodist and Lutheran churches and on the recreational facilities for youngsters of the community.

Maurice P. Angland, chairman of the Plan Commission presided.

Objectors Appear

St. John's church is built on its own land which borders the village park on the west. The church is expanding its present plant, to the north. This move will close the roadway which gives entrance to its parking lot on Third st. The easement sought would extend south from Third street to a point from where it would turn east and pass between the Lutheran and Methodist churches to enter Union st.

The Methodist and Immanuel Lutheran churches are located on a tract of land given to the village in 1855 by Abraham Denny. This tract lies between Second and Third streets.

Berle Needham, who with William Bradley and Durward Fant attended the commission hearing as representatives of the Methodist church, told the members he had made some study of the terms of the gift and he questioned whether the village had the right to change any of them. According to Mr. Needham the terms provide that the southern half of the tract should be used for church purposes and the north half for park purposes.

Would Change Playground

At present the northern portion is used as a picnic and a park grounds by families of the village and the Mokena Lions club has outfitted a playground area for children.

It is claimed that if the easement is given to St. John's it will necessitate changing the playground area and also in the removal of a number of trees.

It was suggested that inasmuch as persons would have easy access to the church parking lot from Third street there was no need for a roadway from Union st.

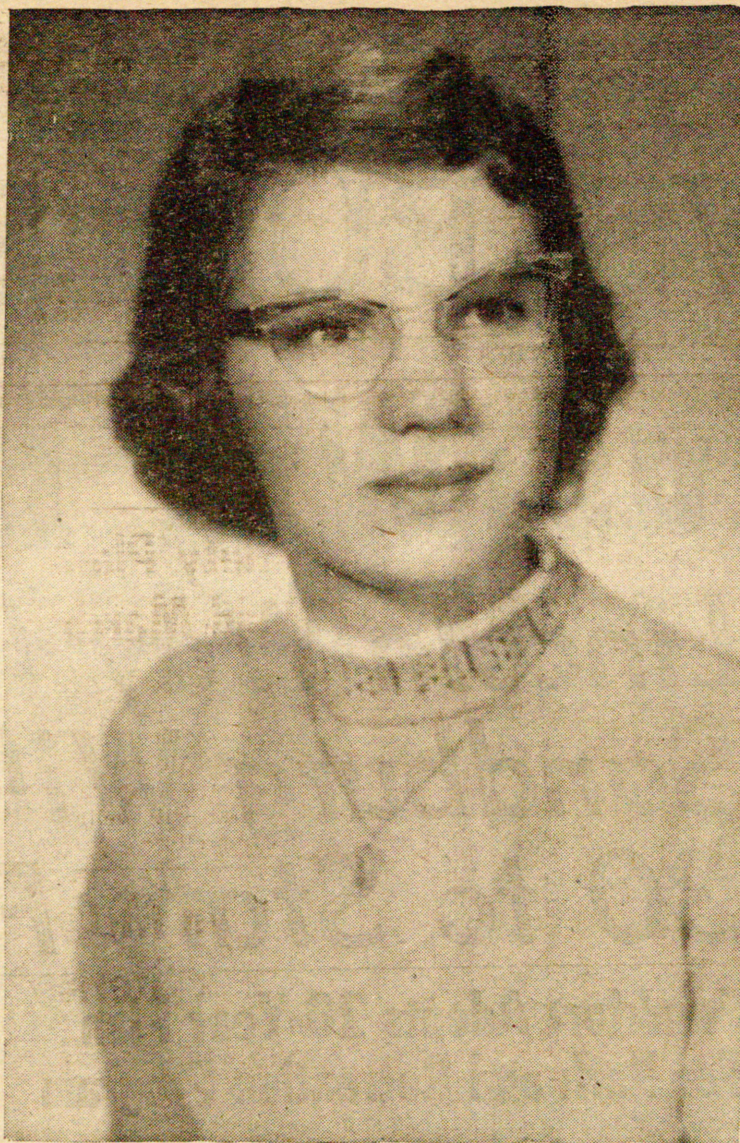

Other business before the Plan Commission is the drawing up of a land use map, covering the village and the area extending for a mile and a half in all directions from its limits.

Holy Name Society At Orland to Show World Series Films

The Holy Name Society of St. Michael church, Orland Park, is sponsoring two coming events of interest.

At 8 p.m. on Monday, March 10, a film of the 1957 World Series baseball games will be shown. Refreshments will be served and everyone is welcome to attend.

A St. Patrick's Day games party will be held Monday, March 17 in the school auditorium. Games will start promptly at 8:30 p.m. All are eligible for prizes. The public is invited.

RECEIVES D.A.R. AWARD—Carol Warner, daughter of Mr. and Mrs. Charles Werner, 115 Fourth st., New Lenox, a senior at Lincoln-Way high school has been designated for the Citizenship Award presented each year to an outstanding high school senior girl by the DesPlaines Valley Chapter of the Daughters of the American Revolution. The award is given in recognition of dependability, service, leadership and patriotism.

Carol is a member of the G.A.A.; school chorus; Future Teachers of America and the National Honor Society. Next Tuesday, March 11, Carol and her mother will attend the Good Citizenship luncheon in the Gold Coast Room at the Drake hotel. The Good Citizenship Award carries a pin to be worn by the recipient. The pin will be presented to Carol at an assembly in the school in May. Carol plans to enter Southern Illinois university at Carbondale next fall. She will major in art.

Flower Arranging Features Session of Garden Club At Tinley Park

The meeting Thursday afternoon, Feb. 20 of the Tinley Park Garden club, took on the nature of a Valentine affair.

The afternoon's program started with a dessert-coffee served at 12:30. There were 15 members present. Mrs. Margaret M. Semmler, of Mokena was a guest.

The business meeting was presided by the president, Mrs. Robert Memhard. Mrs. Ervin Funk gave the secretary's report and read the many letters of greetings, invitations and announcements. Mrs. John Panozzo gave the treasurer's report.

The members discussed at length the entering of the Croyden china contest of table settings. The Tinley Park club will enter the contest at the 95th st. store of Croyden's.

Members reported ill were: Mrs. Amanda Nielsen, Mrs. Otto Juergens who fell and broke her arm and Mrs. Elwood Klepper, who fell and injured her ankle.

Robert Watkins, of the Watkins Floral shop was presented by Mrs. Harry Mager, program chairman. He gave a vivid description of his trip to Detroit, Mich., by way of Michigan City, Ind., where the snow had crippled the city.

Makes Bouquet

Mr. Watkins talked about the beauty of flowers, something which man cannot create and is one of the most beautiful gifts of God to man. He told of the various leaves, flowers, colors and how such is used to denote friendship, good will, love and peace, reasons of sending floral bouquets.

Mr. Watkins then made several bouquets in unusual containers. The main floral piece, made of birds-of-paradise and leaves, was awarded to Mrs. Walter Zawadski.

Mrs. Agnes O'Niell was in charge of the Valentine exchange and distributed the gifts each had brought according to the numbers on each.

Mrs. Memhard made a beautiful afghan and donated it to the Garden club. Mrs. Henry Brueggeman and daughter Mrs. Edward O'Niell, helped sew the squares together and put on the edge. When the awards were made, it was found that Mrs. Zawadski also became the proud owner of the afghan.

Woman's Club Has Art Contest For Grade Schools

The art department of Illinois Federation of Women's clubs is sponsoring an art contest for grade school students. The Woman's club of Orland Park will follow up with its own contest and give awards.

Rules and information have been given to the grade schools at Orland. Subjects are "How People in My Community Earn Their Living" or "The Best Time I Ever Had."

Mrs. Harry Anderson, art chairman for the club will pick up entries March 17, and will send them to the district chairman by April 1. The club's contest will be held at their meeting April 16.

Sherrill Roberts, Roy Mortensen to Wed Saturday

Mr. and Mrs. Clyde Roberts of 16906 Riverside dr., Tinley Park, announce the approaching marriage of their daughter, Sherrill Gail to Roy Mortensen, Jr., son of Mr. and Mrs. Roy Mortensen of 17868 67th Ct.

The ceremony is to take place Saturday night, March 8 at 7 o'clock with a candlelight service in the Zion Lutheran church. The reception will be held at Saenger hall.

Three very lovely showers have been held in Sherrill's honor recently at which she received many beautiful as well as practical gifts. On Feb. 3 the Misses Diane Cupp and Mary Ann Ficker were hostesses at the Cupp residence to a group of Sherrill's young friends.

Three of Sherrill's aunts, Mrs. Carolyn Angermier of Tinley Park, Miss Mary Werderitch and Mrs. Carol Werderitch of Chicago, entertained relatives and friends on Feb. 11 at the home of Mrs. Werderitch. Juanita Roberts of Beverly Hills and Marilyn Ropes were hostesses Feb. 23 when another group of friends gathered to honor Sherrill.

Home Bureau Meets In Home of Mrs. Robert Nelson

The regular monthly meeting of the Bremen Home Bureau was held in the home of Mrs. Robert E. Nelson, 6544 Ravinia, Tinley Park. Hostesses for the evening were: Mrs. Leroy Baumann, Mrs. Warren Bell, Mrs. Henry Benck.

This was our guest meeting and it was nice to see so many new faces. There were 19 members, 15 guests and 4 new members.

The lesson presented by our home advisor, Mrs. Claradehl Upham, was—"Your Emotions and Your Health". It was very interesting and applied so much to our everyday activities.

On March 4, two local leaders, Mrs. Albert K. Holup, and Mrs. Sidney B. Feiwell will take the lesson on Making Slip Covers. They will then present this to the members at a future meeting. Any members interested in tile lessons may contact Mrs. Baumann or Mrs. N. H. Anast. Plans for the potluck luncheon will be announced by mail.

Roxanne Willis, Melvin E. Doogan To Be Wed April 26

Mr. and Mrs. Ralph Willis of Tinley Park announce the engagement and approaching marriage of their daughter Roxanne Faye to Melvin E. Doogan, son of Mr. and Mrs. Melvin H. Doogan of Orland Park. The ceremony is set for April 26 in Orland Park Methodist church.

Altar and Rosary Society Plans Fashion Show at Orland March 21

The regular monthly meeting of St. Michael Altar and Rosary society, will be held Tuesday, March 11, at 8 p.m. in the church auditorium. Following the business meeting the members and guests will be entertained by the "Melody Belles" of St. Francis DePaula. The "Melody Belles", are about 21 in number and play popular music in a way that will delight everyone. They are directed by Mrs. Bernard Timbrello.

Hostesses serving refreshments will be Mesdames: William Lindquist, Omer Henry, C. F. Norton, Matthew Palasz and Theresa O'Brien.

The Society is sponsoring a Salad Bowl luncheon Thursday, March 13 at 12:30 pm. which will delight any gourmet's heart. Members are preparing their very best recipes for the buffet. Mrs. Louis Luppert and Mrs. Frank Connell are the chairmen of this affair, and are assuring all those attending of having more than enough to eat.

To top off the afternoon, Miss Dorothy Bond, foremost woman cartoonist in the United States will entertain with her witty remarks and humorous sketches. Miss Bond, whose cartoon, Glamorina, is featured in the Chicago Daily News is being presented by popular demand.

Plans for the fashion show and hat sale scheduled for March 21 by the St. Michael's church Guild at Orland Park are now being completed. As in the past, because of the talented ladies within the club, the Guild members will do the modeling.

There will be prizes galore as well as two cashmere sweaters to be awarded.

Because of the limited seating capacity, the committee suggests that tickets be purchased early. They are now on sale and may be procured from any Guild member or by calling the chairladies, Mrs. Joseph Daluga at GI 8-0911 or Mrs. Lee Holcombe at GI 8-0748.

Bremen Entries In Speech Contest Win Third Place

Bremen Community High school won third place in the district speech meet held at Carl Sandburg high school Saturday, Feb. 22.

Mokena, Ill.
Feb. 27, 1958

To the Editor:

I am a citizen of the Marley community and a mother of two children. At present I am a very disturbed mother. My children, plus 14 other children, have to walk about three blocks in mire. The Marley bridge was closed in September 1957 and construction began for the new bridge. Nothing has been done since the first week of January 1958. A foot bridge was put over the creek but no other provisions were made for the children.

On Monday, Feb. 24, the children had to cross the flooded oat field walk, three blocks in slush. It could prove very dangerous to the very young. The creek, of course, covered all the very deep holes left from the construction of the bridge.

It would make a very interesting picture for your people to see modern civilization and how it has provided for the modern children. . . .

We don't know what the contract called for or when the bridge was to be completed, but it is a very grave problem. Maybe you can furnish us with some information about how we could speed up the completion of the bridge.

Very sincerely,
LENORE HAMER

Mokena Voters Will Elect Three To School Board

Three members are to be elected to the board of education of Mokena Public Schools, District 159, at the annual school election to be held April 12. The terms are for three years.

Members whose terms are expiring are Gordon Bruce, Walter Shewski and James Stewart. Two of the incumbents, Shewski and Stewart have announced they are candidates for re-election.

Nominations for members of the board are made by petitions signed by at least 50 voters.

Petitions are now available from the secretary of the board, Lyman F. Teague, 128 Mokena st. All petitions for nominations must be filed with the secretary of the board on or before March 22, 1958.

New Lenox Man Faces Drunken Driving Charge

An original charge of driving while under the influence of liquor was reinstated by the assistant state's attorney's office on Raymond Walters of New Lenox, who was arrested Jan. 20 by state police following a two-car collision at the intersection of Cicero ave. and 147th st.

This action was taken in the court of Roy Benson, Orland Park on March 3.

Walters was sentenced to 30 days in the Cook county jail by Benson on Feb. 10 on a reduced charge of reckless driving who informed the defendant he would also recommend his driving license be revoked for a year.

Following sentence Walters announced he wished to appeal and he was released by Benson on \$500 bond. This bond was reduced to \$300 Monday on recommendation of an assistant state's attorney. Walters is still out on bond.

Walters and Mrs. Corinne Rudkin, of Palos Park, driver of the other automobile involved, were both injured in the crash and taken to St. Francis hospital. Walters was released from the hospital Feb. 9.

CARL SANDBURG

The nominating committee of Carl Sandburg High school PTA presents the following slate of officers for the 1958-59 year:

President, Mrs. Donald Maue, (Orland Park); vice president, Robert Tobias, (Palos Park); secretary, Mrs. Lionel Gibson (Palos Park); treasurer, William White, (Palos Heights); and regional vice presidents: Mrs. Robert Rich (Quin); Mrs. Frank Seward (North Palos); Mrs. John Alfirevic (Palos Heights); Mrs. Charles Scheurer, Jr. (Palos Park); Mrs. Charles Stewart (Orland township); and Mrs. Ray Barry (Orland Park.)

At the March 20th meeting members may present other nominations from the floor with the stipulation that the consent of the nominee has been obtained, according to Mrs. Chester Williams, president.

Chairman of the nominating committee was Mrs. Rudolph LaVine (North Palos) and other members of the group were Mrs. Norman Martin (Palos Park); Mrs. Robert Rich, (Quin) Mrs. Donald Maue (Orland Park); Mrs. Joseph Neubauer (Palos Heights); and Mrs. Joseph Kaiser (Orland Park.)

Lincoln-Way Talent to Put on Vandevil Bill

The brand spanking new stage and auditorium will be the setting for the second annual vaudeville show presented by the Lincoln-Way Music department, March 28 and 29. Curtain time is 8 o'clock.

A few changes to improve this year's show include a 14-piece pit band, new stage, new lighting and soft seats. The show itself will follow much the same format of last year's performance. Student critics have this to say concerning the bill:

I. Southern Jubilee—a minstrel show compacted into fifteen minutes of song, fun, hilarity, and glitter by the Boys' glee club.

II. Tops in Taps—Janet Wise and Diane McCleary do the old soft shoe, sing a mite, and finish rather fast.

III. Art Guild Players—last year's smashing success has called for a repeat of another classic drama of the early period. Mood music again by Sharon Wolf. Some of the titles considered are "Out of the Storm" "Her Girlish Heart."

IV. A day at the Beach—Watch the silent movie clips on the \$64,000 Challenge and see how well the Girls' Glee clubs stacks up on this psuedo Hal Roach bit.

V. Quartets on parade—Girls barber shop harmony in a little different costume and boy's barbers hop with a little different style.

VI. After the intermission a new group doing a little modern harmony and some pop tunes of the day.

VII. Mama Teach me to Dance—is an answer to requests for a little more dancing in the show, and will be performed by the sophomore chorus and will include the Minuet, can-can, hornpipe, square dance polka, and modern dance with appropriate songs.

VIII. Moods in Color will feature the girls ensemble from the girls glee club doing songs with appropriate lighting to fit the song.

IX. The last act will be a zip-snap—it now remains a surprise because the script has not been chosen yet.

Roger Swart will MC the show. Art and stage direction will be done by Darwin DeCamp and Ron Sorril under the supervision of Mr. Kinney. Leroy Bittner and Marvin Gray will handle the lighting. There will be 1200 tickets available from March 5 to March 15.

Lockport Will Serve Area As Phone Center

Beginning Monday, March 10, Mokena, Frankfort and New Lenox telephone customers will be served from a new Illinois Bell business office which has been created to serve the towns in the Joliet area, Howard Gramm, manager, announced today.

The new office is located in Lockport at 301 State street and will serve nearly 14,000 customers in Braidwood, Elwood, Lemont, Frankfort, Lockport, Manhattan, Mokena, New Lenox, Plainfield and Wilmington.

"This office will serve most of the towns in the Joliet area except for Joliet which has its own business office," Gramm said. "This decentralization will help us to give our subscribers better service and individualized attention", he added.

Customer records will be moved from Joliet to Lockport Saturday.

In Mokena, Erwin Dunham and at New Lenox, Amos Bruns will still be available to accept telephone bill payments, at Frankfort, Donald and Arthur Melcher are the collectors. Also, if customers are in Joliet and find it more convenient to pay their bills at the business office there, they may do so. However, mail payments should be sent to the new office at 901 State street, Lockport.

The business office will be open from 8 a.m. to 5 p.m. Monday thru Friday. A night deposit box will be available for those who wish to pay their bills after regular business hours.

Areas customers can call the business office by dialing operator and asking for the business office.

Hold Dedication of Homer School

About 300 persons attended the dedication of the new Homer, consolidated school and toured the building Sunday afternoon.

Following an outdoor service of dedication of American flag and pole, the group assembled

in the all purpose room which was adorned with several large bouquets of flowers.

The invocation was given by the Rev. Roy Hanson, of Homer Congregational church.

Clayton Pitts, Commander of the Lockport American Legion Post read the Pledge to the Flag

Mrs. John Hollister, accompanied by Miss Betty Anderson, sang the National Anthem.

Present Flags

Mr. Pitts presented each schoolroom with a flag, gift of the American Legion, and they were received by the following pupils, each making an appropriate speech: Jerry Paddock, 1st grade; Lana Carlson, 2nd and 3rd grades; Christine Cook, 4th and 5th grades; and Gary Bond 5th and 6th grades.

Russell Lauffer, president of the board of education, welcomed guests and Raymond Carlson, board secretary, introduced board members and the custodian, Albert Schwab, was introduced by Carlson, as were teachers and officers of the Mother's club.

Entertainment

A group of singers from Lockport high school entertained.

Watson Healey, architect, presented the keys to the building to Mr. Lauffer.

The main speaker was Dr. Gayle Hufford, former superintendent of Joliet Public schools, now on the faculty of Lewis College, Lockport. He was introduced by Will County School Superintendent Verne Crackel.

Mrs. Honora Lahmann, school principal spoke briefly, acknowledging gifts to the school.

The program was closed by a solo by Mrs. Hollister.

Refreshments were served by Mother's club members.

A study of growth factors of baby pigs at the University of Illinois is being supported by a \$1,500 grant from the Corn Products Refining Co.

In these days of many divorces, it is rare indeed when a couple live together for 68 years.

There is such a couple in Mokena. Mr. and Mrs. Charles Lind, who celebrated their 68th wedding anniversary last Sunday by an open house held in the home of their cousins, Mr. and Mrs. Elmer Benson, Front st., Mokena. It was a surprise and one which the honored couple thoroughly enjoyed.

Mr. Lind, 90, and Mrs. Lind, 87, live on McGovney st., are active, doing all their own house work, read the daily papers, and a weekly Swedish newspaper, and are in good health.

Both born in Sweden, Mrs. Lind came to America in 1884 when she was 14 years old, and he came in 1886. A few years later they met each other and in 1890 they were married. They established their home in Chicago where Mr. Lind was employed at the International Harvester Company for 40 years. When Mrs. Lind first came to this country she made her home

with her uncle and aunt, Mr. and Mrs. John Erickson, Mokena, parents of Mrs. Elmer Benson.

There were more than 50 friends and relatives who called Sunday at the open house to wish the Linds health and happiness.

Present Sunday also were their two sons, Sidney of Mokena and Mr. and Mrs. Harry Lind of Chicago. Their son Arthur and family live in Cheyenne, Wyo., and were unable to attend. Grand children present were Mr. and Mrs. Kenneth Lind and son, and Edward Lind of Chicago.

Mr. and Mrs. Lind enjoyed visiting with their guests Sunday afternoon. Mrs. Lind enjoyed her corsage of red and white roses and he had a white carnation boutonniere.

Luncheon was served from a table centered with a lovely anniversary cake with the figure 68 on it.

weeks visiting relatives and friends.

A happy crowd of men and boys attended the Father-Son supper at Homer church Wednesday evening. The Rev. Mr. Hanson as master of ceremonies discovered that C. G. Rowley was the oldest father present and Billy Hutchinson, the youngest. John Hollister with his four young sons, had the most sons present and Earl Kopleman of Minooka, travelled the farthest to attend the dinner. Bob Burch entertained with musical selections after Mr. Hanson announced that they had expected a very good musician but "since he was unable to come they got Bob." Movies procured by G. C. Frazer were much appreciated; his son-in-law, Henry Smith, assisted in showing the pictures.

Mrs. Robert Shepherd, Sr., gave a talk on hobbies at the PTA meeting at Ludwig school recently. She exhibited part of her doll collection.

Mr. and Mrs. Frank Milne entertained a group of relatives in their home the evening of Feb. 22 in celebration of the birthday of little Dawn Barr which occurred on Feb. 23.

Roy Hanson and Mrs. Ira Anderson were dinner guests Tuesday evening in the John Hollister home.

Mr. and Mrs. Arthur Shepherd, former Homer residents who now live in Lockport township are the parents of a daughter, born Feb. 26 in Silver Cross hospital. Her name is Lorie.

Mr. and Mrs. John Hollister and family were dinner guests last Sunday in the home of his parents in Joliet.

Mr. and Mrs. Robert Burch

attended a soil conservation meeting and dinner at the Evangelical Lutheran church in Dwight Thursday evening.

Mr. and Mrs. Delbert Rowley of Chicago spent Monday with the C. G. Rowley family. The men are brothers.

Mrs. C. Kennedy and Mrs. Carlson are Red Cross co-chairmen for Homer township. They will appoint several helpers and hope to complete the drive by March 21.

Mokena Wins Valley Loop Cage Title

Meteors Overwhelm Manhattan 36 to 22

The Meteors ended their conference season Friday night at Manhattan with the victory needed to insure their second successive championship in the DesPlaines Valley conference. The score was 36 to 22 and gave the Meteors a final record of 10 victories and two defeats in league play. The honors must be shared with Channahon and Rockdale as all three teams ended their play with identical records in the closest race ever seen in the conference.

Rockdale got off to the front as soon as the season opened and looked to be a favorite to end on top but Mokena and New Lenox each edged them in the last weeks of the season. Channahon was able to knock off Mokena but could not get by New Lenox and Rockdale. Mokena finished the strongest since their first defeat came at the hands of Laraway in the second game of the season. The Meteors came on from that defeat to win 9 out of their last 10 games including Rockdale, New Lenox and Laraway in the month of February. The Meteors captured the championship last year by winning 11 and losing one. Only one player returned from that team this year so a complete rebuilding job was necessary.

Muehler and Yunker again sparked Mokena's attack as they have all year. Yunker was off his tremendous performance against Laraway but still manager to gather 13 points. He had a poor night at the free throw line or his total would have been higher. Muehler hit for eight baskets and a free throw for 17 points. In the extremely close first half he came thru with the timely buckets that kept Mokena in front. The score at the half was only 14 to 11. The second half saw the Meteors go to work with an idea of nailing down the trophy. Their margin increased to 24 to 17 at the end of the third quarter and then turned into a rout as they pulled away in the final period.

The Meteorites went down to defeat in the first game 25 to 16. The result was a disappointing finish to the conference season that saw their final record stand at seven victories and five losses. The Meteorites lost their first two games of the season and then finished by winning seven out of ten.

Free Throws Give Reavis Win Over Knights

By FRED KIESLAR
Lincoln-Way's varsity cage team wound up its regular season play last Friday night by losing to Reavis 56 to 46, in a Southwest Suburban conference game. The Lincoln-Way frosh-sophs won 48 to 33.

The loss Friday night was the 13th experienced by the Knights in the 1957-58 season. They have won seven games.

Lincoln-Way scored more baskets than Reavis, 17 to 15, but accuracy at the free throw line made Reavis the winner. They scored 25 points out of 32 attempts from the charity line while the best the Knights could do was tally 12 points on 29 tries.

Reavis led all the way in the varsity encounter. At the end of the first quarter it was Reavis 13 and Lincoln-Way 7. At the half Reavis was leading 32 to 23 and at the close of the third frame it was 35-29.

Tinley Church Cage Loop Invites Public to "Sports Night"

One of the top basketball coaches in the country, Ray Meyer, of DePaul university, will be the principal speaker at the annual Sports Night of the Tinley Park Church cage league next Tuesday night, March 11. The affair to be held in the Central school cafeteria, beginning at 7:30 o'clock. The public is invited and a large crowd is expected.

Meyer, an old hand on the carrot-peas-roastbeef circuit, has a large fund of stories involving well-known figures in the sports world and is quite an entertaining speaker.

In addition to his talk, Meyer will show a film on the best college basketball games of 1957. Also on the program will be a colored film on the American-National League All-Star baseball game of last year.

Trophies will be awarded to the first and second place teams of the Church league and to the loop's most valuable player and top scorer.

Refreshments will be served following the program. Doors will open at 7 o'clock and donations will be accepted.

Captained Irish
Ray Meyer, who played basketball at Notre Dame under the tutelage of the late George

there are many good basketball teams and basketball coaches. He was graduated from St. Patrick's Academy in Chicago where he was a member of the team that won the National Catholic high school basketball tournament in 1932. He entered Notre Dame in 1934 and was a top hand on Keogan's varsity team for three years. Meyer captained the team in his junior and senior years when the Irish won 40 out of 46 games.

In his 15 years at DePaul the Blue Demons have played .669 ball, winning 249 games as against 123 losses. Seven of his teams have played in either the NCAA or National Invitational post-season tourneys.

Meyer also has been the coach of the college All-Stars on their annual tour with the Harlem Globetrotters for seven years.

One of his best pupils over the year was George Mikan, recognized everywhere as Mr. Basketball.

Sandburg Wins First Leg in State Prep Basketball Tourney

The Sandburg Eagles, who defeated Evergreen Park twice before this season in conference play, did it again Monday night to clear the first hurdle in the annual Illinois high school basketball tournament.

Playing in the regional at Blue Island, Sandburg and Evergreen Park, both members of the Southwest Suburban conference, were pitted in the second game of the evening and Sandburg won 62 to 55 after a nightmarish experience.

In the opening game Thornton smothered Morgan Park Military Academy, 97-47.

In the Sandburg-Evergreen game the Mustangs held a 10 to 4 lead about midway in the first quarter and to the surprise of everyone except the most ardent Evergreen Park fan, continued to keep out in front until the final five minutes of play.

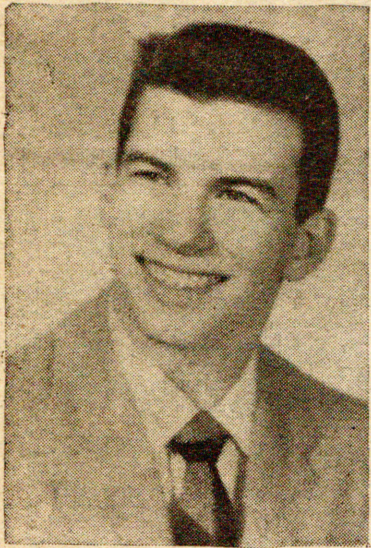

It was then that Pat Ford came thru with three quick buckets to wrest the lead from the Mustangs. Scoring victory Sandburg put on steam and won going away.

Thornton's height and experience was too much of a combination for the Morgan Park cadets. They tried but it was too tough. A Tinley Park boy, Ron Elmore, is a member of the cadet squad.

Zitler Wins 3rd Mat Title In Sectional

By DON LEHMANN

Lincoln-Way's veteran co-captain, Elwood Zitter, won his third sectional title in as many years Saturday night at Blue Island. This year's competition was the toughest he had ever faced, but giving this fact no

thought at all, he mowed 'em down as if they were just ordinary boys.

Take Tom Komorowski for instance. This Thornton Fractional youth has been South Suburban league champion for the past two years, an honor not lightly regarded in wrestling circles. Friday night Wood never

Woody Zitter

gave poor Tom the chance to look like a champ. He pinned him in 1:27 of the second period.

Saturday afternoon, Woody drew Robin Renner of Bremen, the only wrestler to beat Woody at 95 pounds this season. Renner, the Sandburg district champion, had upset Woody 4-2 the week previous. (Incidentally, Woody's total season record is 18-2). It took Woody only a second longer to pin Renner than it had to pin Komorowski.

A few hours later Woody met his toughest opponent, Blue Island's Percy Weathington, the

Tinley Host to Grade School Cage Tourney

The South Suburban Elementary league will hold its annual basketball tournament at the Central school beginning today, March 6 at 3:45 p.m. Eight teams will participate, with trophies being awarded to the top four.

Today's schedule opens with West Harvey playing Lincoln of Dolton at 3:45. This game will be followed by the Steger-Evergreen Park game. This evening's program will begin at 6:45 with Blue Island pitted against Simmons of Oak Lawn to be followed by Flossmoor against Tinley Park.

Tomorrow the four winners play the semi-finals with the first game at 3:45 o'clock and the second game immediately following. The championship games will be played Saturday night, the consolation game beginning at 6:45 p.m. and the title contest about 8:00.

The tourney favorite is league champion West Harvey. The public is invited to attend these games.

Need Manager for Baseball Team League of Women

The Tinley Park police department is looking for a man to manage a baseball team. The police wish to sponsor a team composed of teenage players as they have for two years.

This is one of the ways in which the police department endeavor to combat juvenile delinquency.

Anyone wishing to take on the job of managing such a team is asked to call Harold C. Moore, police chief.

Thornton Township district champ. In the first period neither boy was able to score a take-down. Woody drew top position in the next period, but Percy eased out for an escape, giving him a valuable 1-0 lead. The final period saw Woody bring the screaming partisan home srowd to it's feet by getting an escape. This put the match into overtime.

In that exciting first extra period, Woody rode Percy hard, never giving him a chance to score. As soon as Weathington was on top, Woody escaped, making the Blue Islander partisans groam as they saw Percy's chances go down the drain. Woody then thwarted Percy's takedown attempts to gain a hard-earned 2-1 decision.

Sandburg Cops Last Two Games of Cage Season

The Carl Sandburg varsity basketball team's regular season closed last week-end with victories over Evergreen Park and Clifton, for a final record of 14 wins and nine losses.

In Friday night's game Sandburg defeated Evergreen Park for the second time in conference play by a score of 58-51.

It was the Eagles ninth conference win in 12 games for a second place finish for the fifth consecutive year. Bremen coped conference honors with a 10 and 2 record.

Pat Ford led Sandburg scorers against the Mustangs as he scored 22 points. Big Mark Hill grabbed 26 rebounds to control the boards.

In Saturday's game against Clifton eight Sandburg seniors played for the last time on the home court. They included all of the starting five, Dennis Graninger, John Arnold, Mark Hill, Pat Ford and Richard Aird plus reserves Ted Allen, Bob Schneider and Ed McGee. Sandburg won 58 to 47. Dennis Graninger dropped in 16 points and grabbed 13 rebounds as he played one of his best games. Ford and Aird contributed 11 points apiece.

Four Sandburg Grapplers In State Finals

The Carl Sandburg high school wrestling squad completed their finest season, having placed third in conference competition, first in district competition and third in sectional battling. Four Sandburg grapplers will advance to the state championship finals at Arlington Heights this week-end.

Wayne Borre won a sectional championship, Dave Gibson, Bob Chatlosh and Al Jaklich won runner-up spots and also advance to the battle for state championship battling.

Teens Whip Nazarenes 43-31 to Finish 2nd In Tinley Church Loop

The final games of the Tinley Park Church league were played Monday evening before an enthusiastic crowd at the Central school gym. The champion Methodist squad closed its season by defeating a stubborn Catholic squad by a 40-39 score. The victory was the thirteenth of the season for the winners and their fifth in a row. The Teen club set down the Nazarene team by a 43-31 score to take second place honors in the league standings.

Tom Jeffers, Methodist guard, became the scoring champion of the league as he nosed out Ron Gallina in a close contest. Jeffers scored 232 points to Gallina's 224 points in a battle right down to the wire.

The Methodist squad had a cold night from the floor and trailed until the final minutes of the game. A tip-in by Tom Jeffers in the last minute of play was the deciding factor. Lloyd Sundblad led the winners attack with 12 points. Ron Gallina paced the St. George squad with 15 points.

The Teen club started strong and jumped off to a 26-7 half time lead, largely on Bob Goetsch's ten points and clever rebounding. The Nazarene squad fought gamely in the second half, but found themselves to far behind to catch up. Bruce Ralson led the winners with 13 points, while Ron Bressi paced the Nazarenes with 12.

The league trophies will be presented at the annual church league Sports Night, next Tuesday evening, at 7:30 p.m. in the Central school cafeteria.

Athletic Dinner

The annual Lincoln-Way Lions-Father and Son all school athletic banquet is scheduled for Wednesday night, March 26, in the cafeteria and auditorium. This banquet has always been held after the conclusion of the basketball season. All squad members from the various football, cross country, basketball and wrestling teams are honored.

The four local Lions clubs—Manhattan, Mokena, Frankfort and New Lenox—have sponsored this activity and helped to provide for part of the actual costs.

This year, Jesse Owens, world champion sprinter, will be the guest speaker. Owens is now associated with the Illinois youth commission devoting a great deal of time in helping the underprivileged youth in Cook county and over the entire state.

Dinner tickets are limited but the program will be held in the new auditorium and open to everyone. Dinner will be served at 6:45 p.m. and the formal program will start at 8 o'clock.

A program in observance of Founder's Day was held at the February meeting, to which all past presidents of the Mokena PTA were invited. Due to illness and other reasons, only 5 of the 19 past presidents were able to attend. They were N. A. Heiman, Mrs. William Pitman, Mrs. Berle Needham, Mrs. Geo. Reid and Mrs. T. Arthur Shoop. They presented facts and incidents which they remembered from their term of office.

Norval Robinson, ways and means chairman, announced a net total of \$208.37 was cleared on the Valentine dance. He thanked the following who served on committees for the dance: Refreshments, Mrs. Dur-

WIN A CASE OF MARY DUNBAR PEACHES!

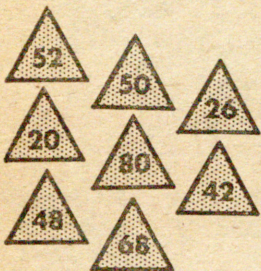

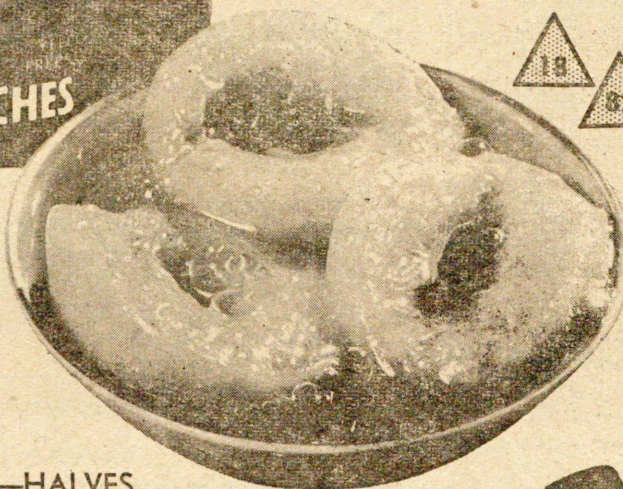

Play Jewel
Extra Value
Line-Up!

Even Grandmother couldn't tell the difference between Mary Dunbar Elberta Peaches and the ones she used to can herself! Only big sweet Elberta Freestones (the ones with the familiar raggedy centers) are canned under Jewel's own fine quality Mary Dunbar label.

Because the sugar increases as the peach ripens, Mary Dunbar Elbertas are left on the trees until fully ripened by the California sun. Then an extra heavy syrup is added to bring out all of that sweet tree-ripened flavor. If a cannery mixes green peaches in with ripe ones, Jewel buyers will reject the entire pack... for the green peaches will act like sponges and soak up the sugar from their riper brothers. No wonder Mary Dunbar means the best you can buy!

Imagine what a treat it will be for your family if you win a case of these tender golden peaches while playing Jewel Extra Value Line-Up! And remember, you always win when you choose Jewel quality!

WEEKDAYS 9 A.M. TO 9 P.M.
SATURDAYS 9 A.M. TO 6 P.M.

HAZARDOUS TRAVEL—Youngsters at Marley school who live in Marley are lucky if they don't lose their golashes these days going to and from school. Their mothers fear that some might venture too near the deeper holes and possibly drown. Slow work on the new bridge at Marley is blamed by Marley people for the situation. There is a foot bridge spanning the creek but getting to the footbridge is a problem. The mothers of school pupils would like to see the county, township or someone build a stone path to connect with the footbridge. Such a path, it was generally agreed, need not be fancy—just so it has a bottom.

SNIP 'N SNACK

The Green Graden Snip 'n Snack 4-H club met Saturday in the town hall.

Pal Hiller gave an interesting talk on his 4-H experience.

Other talks given about Stephen Foster by Bonnie Torok and Sandra Bettenhausen; safety, by Sandra Nagel and Kathy Fehland; handicraft, by Clara Sippel and Sandra Bettenhausen.

Members on the window display committee are Sandra Bettenhausen, Bernadette Barlow, Jeanette Deist, Janet Voigt, Joyce Heisner, Ruth Rainfort, and Sharon Homering.

Games were led by Beverly Torok, Sharon Werner, and Darlene Diment.

After the meeting the girls stuffed envelopes for the 4-H news and refreshments were served.

TINLEY PARK HUSTLERS

The Tinley Park 4H Hustlers heard a talk on How to Control Rata presented by Allen Schultz at the February meeting.

Two movies were shown, one on safety going and coming from school and one entitled Helpful Henry.

A talk and demonstration on first aid was given by Carol Siensen.

Earl Bettenhausen presided at the meeting, where a discussion was held on the window display.

er. Announcement was made that Mrs. George Bills hopes to join the pack as a den mother next year.

The following awards were made by Cub Master Charles Gorman: Bobcat: Paul Schuch, Les Bisgrove and Dan Machalek

Wolf: Robert Kiedaisch, Tim Ricketts, Terry Smith, Steven Idhe, Kenny Corniels, Eldon Schwarz, Rickey Helvry, Allen Hostert and Jim Surovic.

Bear: Jim Sheridan, Jack Chisholm, George Gorman and Larry Kelch.

Gold arrow: Ken Corniels, Eldon Schwasz, Steven Idhe, Allen Hostert and George Gorman.

Silver arrow: Ken Corniels and Dale Rodeghero.

Service star: Den chief, Wayne Swanberg.

Mrs. Richard H. Stroh and Mrs. William G. Wilson were presented den mother cards, and den mother pins were given to Mesdames Stroh, Wilson, Gordon Spiess, Charles Kiedaisch, Al. Schwarz and Charles Hostert.

Three year pins: Mesdames Hans Mueller, Gorman and Robert Gilmore, Hoolehan and Runo Wallschlaeger.

New Lions were welcomed into Weblos den by Den Father Ken Corniels.

Cubmaster Gorman announced that inspection will be held at the next pack meeting March 27 and that all Cub Scouts are expected to be there wearing

their new badges.

The leaders of this group were praised for their good work in helping the Cub Scouts to better themselves in every way.

Red Cross Workers

Red Cross workers for the 1958 drive in Mokena are the Mesdames: Edw. Brueser, chairman Kenneth DeCamp, Elizabeth Cappel, Wm. Steen, Wm. Pitman, Albert Wilder, Donell Bost Fred Lehmann, Dale Cramer.

schools in the club's territory with no injuries or fatalities where crossings are protected by safety patrol members.

Joseph J. Cavanagh, president of the motor club, praised the students for their excellent record, pointing out that School Safety Patrols have saved the lives of hundreds of school children in the club's territory since 1922, when the club pioneered the patrol system.

"The whole community benefits from the life-saving work of the School Safety Patrol," Cavanagh said. "Our young people can take pride in their duties of protecting schoolmates as they learn at an early age the sense of responsibility and the deep-rooted satisfaction that comes from helping others. We are happy to recognize their work with these awards."

Enter Wrestling Contest

Sherman Reiter, son of I. Reiter and Mrs. John W. Reiter, is competing in the sections for the Illinois state wrestling championship in Blue Island over the week-end, having been one of three winners from Lockport township high school who won in the district meet last Friday and Saturday. The sectional winners will be eligible 7 and 8.

Orland School Safety Patrol Receives Award

Student cooperation with the school safety patrol system resulted in a perfect no-accident record for 1957 at the Orland Park elementary.

This achievement was recognized by the Chicago Motor club thru a special award.

These awards are given annually to Illinois and Indiana

play for 4H Week which will be a salute to parents.

The 4H News magazine thanked members for the paid subscriptions to the magazine.

Refreshments were served.

The March meeting will be held in the home of Leslie and Gary Berner.

MOKENA

Blue and Gold Banquet

The annual banquet of Cub Scout Pack 40 was held Feb. 27 in the St. Mary's social hall. A roast beef dinner was enjoyed by the 66 adults and 54 Cub Scouts attending.

Father Cecil gave a short talk; Den 2 with Mrs. Ray Hoolehan, den mother, sang a few songs; Harold Behen presented each den mother with a white carnation corsage and also led in community singing. Recognition was given to Mr. and Mrs. Lyman Teague who served as Cub leaders last year and to Durward Fant who was treasurer.

Card of Thanks

I wish to thank my friends and neighbors for their many cards, gifts and kindness shown me during my prolonged stay at Hazelcrest hospital.

MRS. RALPH WILLIS
Tinley Park

We wish to thank all our relatives, friends and neighbors for their many acts of kindness and sympathy shown to us at the time of the death of our husband and father, Andrew Miller. We also thank the Rev. Kenneth Crandall and the Rev. Mr. Smith, soloist and accompanist for their comforting service; for the floral offerings, the memorial gifts and those who generously donated the use of their cars.

MRS. ANDREW MILLER and DAUGHTER

We want to express our appreciation and thanks to our friends and neighbors for their sympathy and kindness shown to us at the time of the death of our dear wife and mother, Florence G. Wood; also to the Rev. R. A. W. Bruehl for his comforting words, for the floral offerings and the donation of the use of the cars.

WILLIAM WOOD and CHILDREN, Mokena

My sincere thanks to all my friends and neighbors who were so kind and thoughtful of me during my recent illness; also for the many cards, gifts, and letters.

MRS. FLORENCE POMMERING Mokena.

We especially wish to thank the members of Hope Circle, WSCS and friends for their many kindnesses extended to us during our recent bereavement in the death of my mother, Mrs. William Wood.

MR. and MRS. RUSSELL BETTENHAUSEN and FAMILY, Tinley Park

BARNEY N. WELTER,
Registrar Homer Township March 3.

According to studies made by the National Safety Council, wet, muddy, snowy or icy roads were reported in one out of five fatal accidents in 1955.

University of Illinois agronomists in 1957 tested 412 different hybrid varieties of corn grown on 10 fields over the state.

All men may be born equal, but it requires a lot of work to stay that way. —Marissa Messenger.

Will County's Red Cross Goal Set at \$78,000

The 1958 Red Cross fund campaign in Will county will be held during the month of March with various parts of the county selecting different dates to make their solicitation. Disasters still are rampant throughout the United States creating a big strain on Red Cross resources.

The chapter quota this year is \$78,800 which is practically the same as the 1957 goal but 8% more than was raised in 1957. E. B. Workman is the 1958 fund chairman, and Verne E. Crackel and Willard G. Blood are co-chairmen of county towns and rural areas.

All Red Cross activities have been on the up trend, with more people wanting first aid, water safety and home nursing instruction, and a continued need on the part of families of servicemen for services only the Red Cross can give. More than 800 military families of Will county received some type of help last year, including financial aid.

Will county suffered its own disaster—a flood—last July and \$41,000 was spent by the chapter in help to victims. This included emergency assistance of food, clothing, shoes, bedding and shelter for which orders for \$12,000 were issued in a 72 hour period. About \$29,000 was spent on rehabilitation for which the families registered and which was given on the basis of need not loss. This help included replacement and repairs of homes, household furnishings, and some medical care.

Families chose their own merchants and contractors, signed statement that work was done to their satisfaction and the Red Cross paid the bills. All Red Cross financial records are audited by a CPA and also may be audited at any time by the army audit department. During the July disaster relief was given in Joliet, Lockport, New Lenox, Custer and Wesley townships. There are 24 separate fund divisions in the County, all of which have chairmen.

LINCOLN-WAY HIGH:—

(Continued from Page 1)

Sue Erickson, medium voice; Janice Miller, high voice; David Erickson, high voice; Tom Peterson, medium voice; Shirley Guth, low voice; girls No. 2 double ensemble; No. 2 girl's single ensemble; boys' double ensemble; No. 1 mixed double ensemble; No. 2 mixed double ensemble; No. 1 mixed single ensemble and No. 2 mixed single ensemble.

Ralph Bueschel, low voice, David McGuire, a drummer and the flute trio received good ratings.

Sandburg students with excellent ratings are: Billy White, baritone; Terry McBurney, cornet; Shiela Sunquist, trombone; Ron Lindgren, saxophone; Kaye Briggs, French horn; Kathy Mortenson, clarinet; Frances Wood, piano; Instrumental ensembles. Bass baritone duet, Bob Schneider, Lester Mahaffay; Trombone quartet, Ted Allen, Sandy Mayhall, Shiela Sunquist, Jim Gee; clarinet quartet, Mehlin Smith, Roger Brown, Darryl Schmitt, Marge Kimmel; French horn duet, Vicki Leatzow, Barbara Blount; cornet duet, Jane Whennen, Nancy Tabert; Jim Beck, bass; Ron Bergman, tenor; Ed Raap, bass; Deborah Radosovich, mezzo; Walter Ries, bass; Bernadine Vrzak, piano; Voice ensembles: Boys' quartet, Ed Lundin, Dan Jennings, Al Jaklich, Joe Militello; girls' octet, Marsha Vleck, Lee Hein, Judy Nelson, Anita Love, Marge Gandy, Janis Mordahl.

DISCUSS RED CROSS DRIVE PLANS at New Lenox. These women will have charge of the campaign in New Lenox this year. Left to right, they are, Mrs. G. T. Schofield, Miss

Caroline Bentley, Mrs. William Penn, Mrs. Robert Buckler, Mrs. Walter Gougar, Jr., and Mrs. Kenneth Tauber. Mrs. Penn is chairman of the New Lenox fund drive.

PTA News

NEW LENOX

The PTA of the New Lenox public school will observe Fathers' Night at their meeting Tuesday night, March 11. The meeting will be held in the Haven school and will start at 7:45 pm.

A feature of the program will be an amateur show and a movie picture entitled "Building of St. Lawrence Seaway," shown by a representative from the Caterpillar Tractor company.

Taking part in the amateur program under the direction of Mrs. Stewart Morrison will be a dance number by Robert Schuette and Mildred Minuth; solo, Eugene Peters, accompanied by Mrs. Edith Warning; trumpet solo, James Sampson, accompanied by Miss Elsie Sampson and a chalk talk by Lawrence Carlson.

Hostesses will be the mothers of the second grade pupils.

Hold Funeral for George Barnes

Last rites for George Barnes, 78, a native of Frankfort were held Wednesday morning in the Sonntag funeral home, Joliet, with the Rev. William J. Riemann officiating.

Mr. Barnes was born in Frankfort May 6, 1879 and moved with his parents to Mokena where they farmed. After his marriage to the former Minnie Mattes, they moved to Joliet in 1928 when he became a fireman for the Rock Island railroad. He retired in 1950 and died Sunday in the Shady Oaks Nursing home where he had been a patient for about a week.

He is survived by his wife, a daughter, Evelyn, Mrs. Samuel Mancuso, a grandson, three sisters, Mrs. Nellie McGovney and Mrs. Bertha Wallace, Mokena; Mrs. Julia Walsh, New Lenox; two brothers, Edward and Henry of Joliet.

His brothers Alfred, William and Roy, and sister Mrs. Fannie Hacker preceded him in death.

Burial was made in St. John's cemetery, Mokena.

Mokena Grain Man to Operate Mill-on-Wheels

A new farm service that brings a complete feed processing plant right into customers' farmyards is to be started in this area by Edward Nieman of the Mokena Grain Co. Nieman is scheduled to arrive at Mokena this afternoon with the new machine.

In announcing the new operation, Nieman said that the new "mill on wheels" is expected to be a godsend to local farmers and feeders who want to utilize their own grains and roughages for feeding livestock and poultry. One of the main advantages of the new service, he said, is that it brings the mill to the farmer instead of the farmer having to take his grist to the mill.

The mobile unit, first of its type in this area, is built by the Daffin Mfg. Co. of Lancaster, Pa. It consists of a complete feed mill that grinds all farm grown grains and roughages according to the farmer's specifications, mixes the ground material with feed concentrates, and blends in fresh liquid molasses to produce any desired formula. The truck borne mill is powered by its own Diesel engine and is driven from farm to farm on a regular route schedule.

The local feed service reports that farmers all across the country have found that it is far more convenient and economical to have their feed formulas processed right on their farms. In the past it was necessary to load their grains, truck them to the feed mill, unload them, wait until the feed was prepared, load it again, take it back to the farm, and unload it into feed bins.

Consequently, by eliminating all handling, the new mobile farm service saves feeders a tremendous amount of time, labor, and money, according to the equipment's owners. Increased emphasis is also placed on better nutrition, enabling farmers to get high production and greater profit from their meat, milk and eggs.

Give a cat shelter, plenty of food and a feeling of security and she will stop catching mice. People are like that—Barry Sullivan.

Mokena Board Exercised Over Dog Situation

Boy Scouts took over the village offices of Mokena for a period Tuesday night, preceding the regular board meeting. They discussed two questions, a curfew ordinance and one governing stray dogs.

The boys decided against a

curfew law and gave up on the dog situation.

The regular village board, however, got into the dog business and has issued an ultimatum that if dog owners allow their pets to run at large as they have been doing, the board will have to build a pound. Building and operating a dog pound will cost the taxpayers money, the board pointed out. Keeping dogs tied up would be much cheaper, the members said.

Village Attorney Ray Hoolehan is sending out letters in behalf of the board to all persons who gave easements for the new sewer system, thanking them for their cooperation. The village is prepared to start work on the sewer system as soon as Chapman and Cutler approve the bonds and the bonds are accepted by the buyers.

The Rev. William Riemann and Hans Mueller, representing St. John's church, appeared before the board to ask immediate action on its request for an easement over village land for a roadway leading to the church parking lot. They were informed that the matter was in the hands of the plan commission and would remain there until that body had arrived at a recommendation.

Boy Scouts who took part of board members were Tod Bennett, David Howell, James Gorman, Wayne Swanberg, Lewis Akers, Paul Dath and Michael Triede.

Scholarship Test

13,552 Illinois high school seniors have now completed the competitive examination for Illinois scholarships held on 70 college and university campuses thruout the state. The results from this test, plus the student's high school records will be used to select scholarship winners. Dr. Lyman Smith, executive director of the Illinois state scholarship commission estimates that one out of every nine students who took the examination will receive help in financing their college training.

House Bill No. 280 recently enacted by the Illinois General Assembly provided for any resident of Illinois of good character who will have completed high school by the end of this school year, is in upper half of his class, who demonstrated superior capacity to profit from college work, and who is unable to finance his college training.

Science Research Associates of Chicago constructed and scored the competitive examinations.

Depending on financial need, successful candidates for the Illinois program will receive awards up to \$600 per year covering tuition and other required fees. Winners may select any accredited institution of higher learning in Illinois.

In addition to the stipend awards, honorary awards will be given to students who qualify for scholarships but are not

Artisans Have Big Part In L-W Senior Play

In the final weeks of rehearsal, the committee chairmen of the senior play are busy gathering props and flowers and making the set and costumes.

Members of the set committee are in the process of choosing and buying appropriate wallpaper for covering the flats. The stairway is nearing completion with Don Carter, Ron Fredin, and Joe Sluis well equipped with hammers and saws.

Petra Reinhardt and Shirley Wahl are busy trying to locate the necessary props. These include: a telephone, table stand, coffee table, living room chairs and lamps. A different chore confronting this committee is obtaining enough flowers for one particular scene.

The cast is at work gathering costumes of the right style and color for the play. Helen Sheridan, who plays one of the leading roles of the play as Bridget McGowan, is also displaying talent as a costume collector.

The play, "Roomful of Roses" by Edith Sommers, will be presented in the new Lincoln-Way auditorium on March 21 and 22.

in need of financial aid.

Within two weeks, high scorers in the test will receive scholarship application forms in the mail. On these forms, semi-finalists will be required to provide residence information and indication of college choice. In addition, these students will be required to submit a high school transcript up to the end of the seventh semester in high school. Applicants desiring stipend awards will also submit confidential information which will provide a basis for determining the amount. Deadline for the return of these completed forms will be March 17. Dr. Smith estimates that all applications will be processed by April 1. On that date award winners will be named.

Dr. Smith stated that the Illinois program will send approximately 1,500 students to college during the 1958-59 year who have otherwise had been unable to finance high education. Under the Illinois plan, scholarships are renewable without further examination. Approximately 1,500 new stipend scholarships will be added each year. Approximately 20 Lincoln-Way seniors are among the students thruout the state who are anxiously waiting for the results for these tests.

Water Softeners Need Less Attention

...when you regenerate with Sterling Brine Buttons!

These handy "buttons" of highest-quality salt are easy to use. Just measure them right out of the bag into your water-softener tank. They dissolve completely, so there's never any residue left to flush out after salting. Best of all, with Sterling Brine Buttons you regenerate less frequently!

Economical. Because fewer regenerations are needed, a bagful of Sterling Brine Buttons goes a long way. There's no waste, either. And, most important, these pure, concentrated "buttons" of salt cost so little.

Softeners Work Better. Sterling Brine Buttons are made for

either single- or double-tank softeners. They're just the right size, shape and density to dissolve at a uniform rate. And, unlike loose salt, they prevent caking in your softener. Thus, Sterling Brine Buttons keep your softener at peak efficiency—longer!

• There are other types of Sterling Water-Softener Salt available. Ask your dealer or soft-water service man to recommend the type that's best for your softener.

Business and Finance

By MAURICE P. ANGLAND

Sitting tight, investment wise is always an easy thing to do. No matter what conditions may be at any given time, there are always enough convincing reasons for a person to do nothing.

A couple of years ago one of the financial institutions published a cartoon under the caption "Sitting Tight Fifty Years." The cartoon is superimposed on a chart of the trend line of stock prices from 1908 to 1958. These years, with intermediate dips, have shown a constantly rising price range. The cartoon starts with 1908 with comment for each ten year period;

1908, Still in business depression, sit tight.

1918, Russia surrenders, Germany still winning, sit tight.

1928, Stock market at new high, wait for lower prices, sit tight.

1938, Hitler riding high, danger ahead, sit tight.

1948, Post war depression over due, sit tight.

1958, Stock market weak, wait for lower prices, sit tight.

By now most investors have seen wide variety of prediction covering both the intermediate and long term situation. One of the few methods of investing that is almost immune to uncertainties and not particularly affected by stock market moves, is what is known as "dollar averaging." This means that the same amount of money is invested at regular intervals over a period of time. More shares are acquired with same number of dollars when prices are at lower levels and fewer when prices are higher. The automatic result is ultimate stock holdings with average cost of less than the average at which stocks were bought.

The investor thus takes out a kind of insurance that he will end up with a good average price for his holdings. He gives up his opportunity to invest his total investment only at low levels and conversely also avoids risk of making his total investment only at high price levels. He does not have to rely on anyone's advice as to when to invest.

Dollar averaging, in effect, is a means of leveling off, from a cost stand point, the peaks and valleys of security price levels to obtain the most desirable average rather than a possible extreme of either high or low.

Dollar averaging is made very simple for those investors who use Mutual Funds as their investment vehicle. Thru Mutual Fund, the investor is enabled to secure wide diversification and expert management in a single package.

For as little as \$25 periodically invested, the investor can buy a part share in a portfolio of 100 of the top grade common stocks and have the investment managed by professional investment research organizations. It solves the small investors biggest problems, diversification, experienced management, and study and understanding of financial reports, in a single unit. Not even the wealthy can often attain such diversification.

Mutual Funds are created by the pooling of funds of thousands of small investors into an investment company which is enabled to set up an investment portfolio diversified into as many as 100 or more large companies in 20 or 30 different industries.

Mutual Fund popularity has been increasing at a rapid rate and even larger investors are

Homewood Players Hold Try-Outs for Spring Drama

using them. Recently studies have been published by leading magazines showing their investment results as in many cases exceeding those individually managed large funds.

Phi Chem Group to Have Science Exhibit at L-W

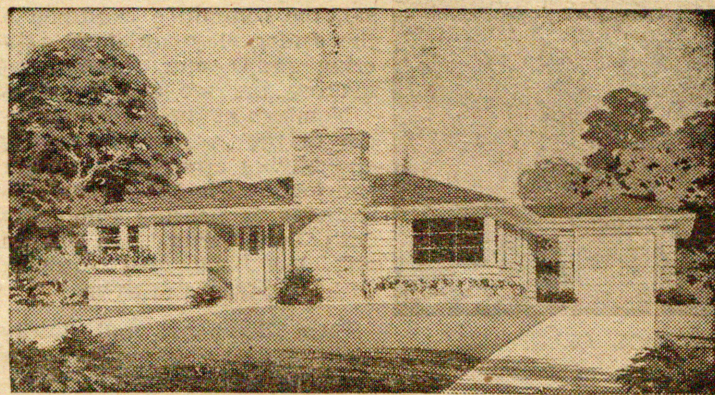

Lincoln-Way's Phi Chem Association will stage its third annual science open house in the school's science department on Friday evening, March 7, at 7:30.

The open house consists of a display of "science projects" dealing with many branches of science. The purpose of the display is to acquaint the public with the activities of Lincoln-Way's science students.

During the evening, a panel of scientists and science teachers will circulate to judge the relative merits of the assembled projects.

Those students who win a "first" award or the spectacular

"outstanding" will be given the 36th and State streets, Chicago privilege of showing their projects at the district meeting of the Illinois Junior Academy of Science to be held at the Illinois Institute of Technology at Chicago on May 9 and 10.

How many of these electric helpers have you added since 1947?... asks LITTLE BILL

☐ a ☐ b ☐ c ☐ d ☐ e ☐ f ☐ g ☐ h

You're an average family if—in the postwar years you've added six new electrical appliances. Shown here are a few typical examples.

This is why you're using far more electricity nowadays than you did a few years ago. And why life is a lot easier. But of all the things you buy today, electricity has gone up less than almost anything else.

So, while your bill may be a little higher, electricity is actually doing nearly twice as much work for the money now as it did years ago.

See how little it costs to run each of these electric helpers.

Gas Company Directors Name New Vice-Pres.

Directors of Northern Illinois Gas Company have elected Howard E. Ford vice-president of the utility. Formerly assistant to the president of Northern Illinois Gas and vice-president

of NI-Gas Supply, Inc., Ford will continue his present duties in the latter, a subsidiary of the parent company.

In his new position, Ford will be responsible for the planning and procurement of the company's over-all gas supply requirements.

At the same time it was announced that four other employees had been appointed assistant vice-president of the utility, newly-created positions.

Heading company activities aspost; Donald B. Miller, to succeed Gauthier as district manager of the utility's Blue Island-Kankakee district; Robert J. Eby, to replace Miller as commercial manager of the company's central division; and L. Raymond Billett, to succeed Eby as district operating superintendent in the Crystal Lake area.

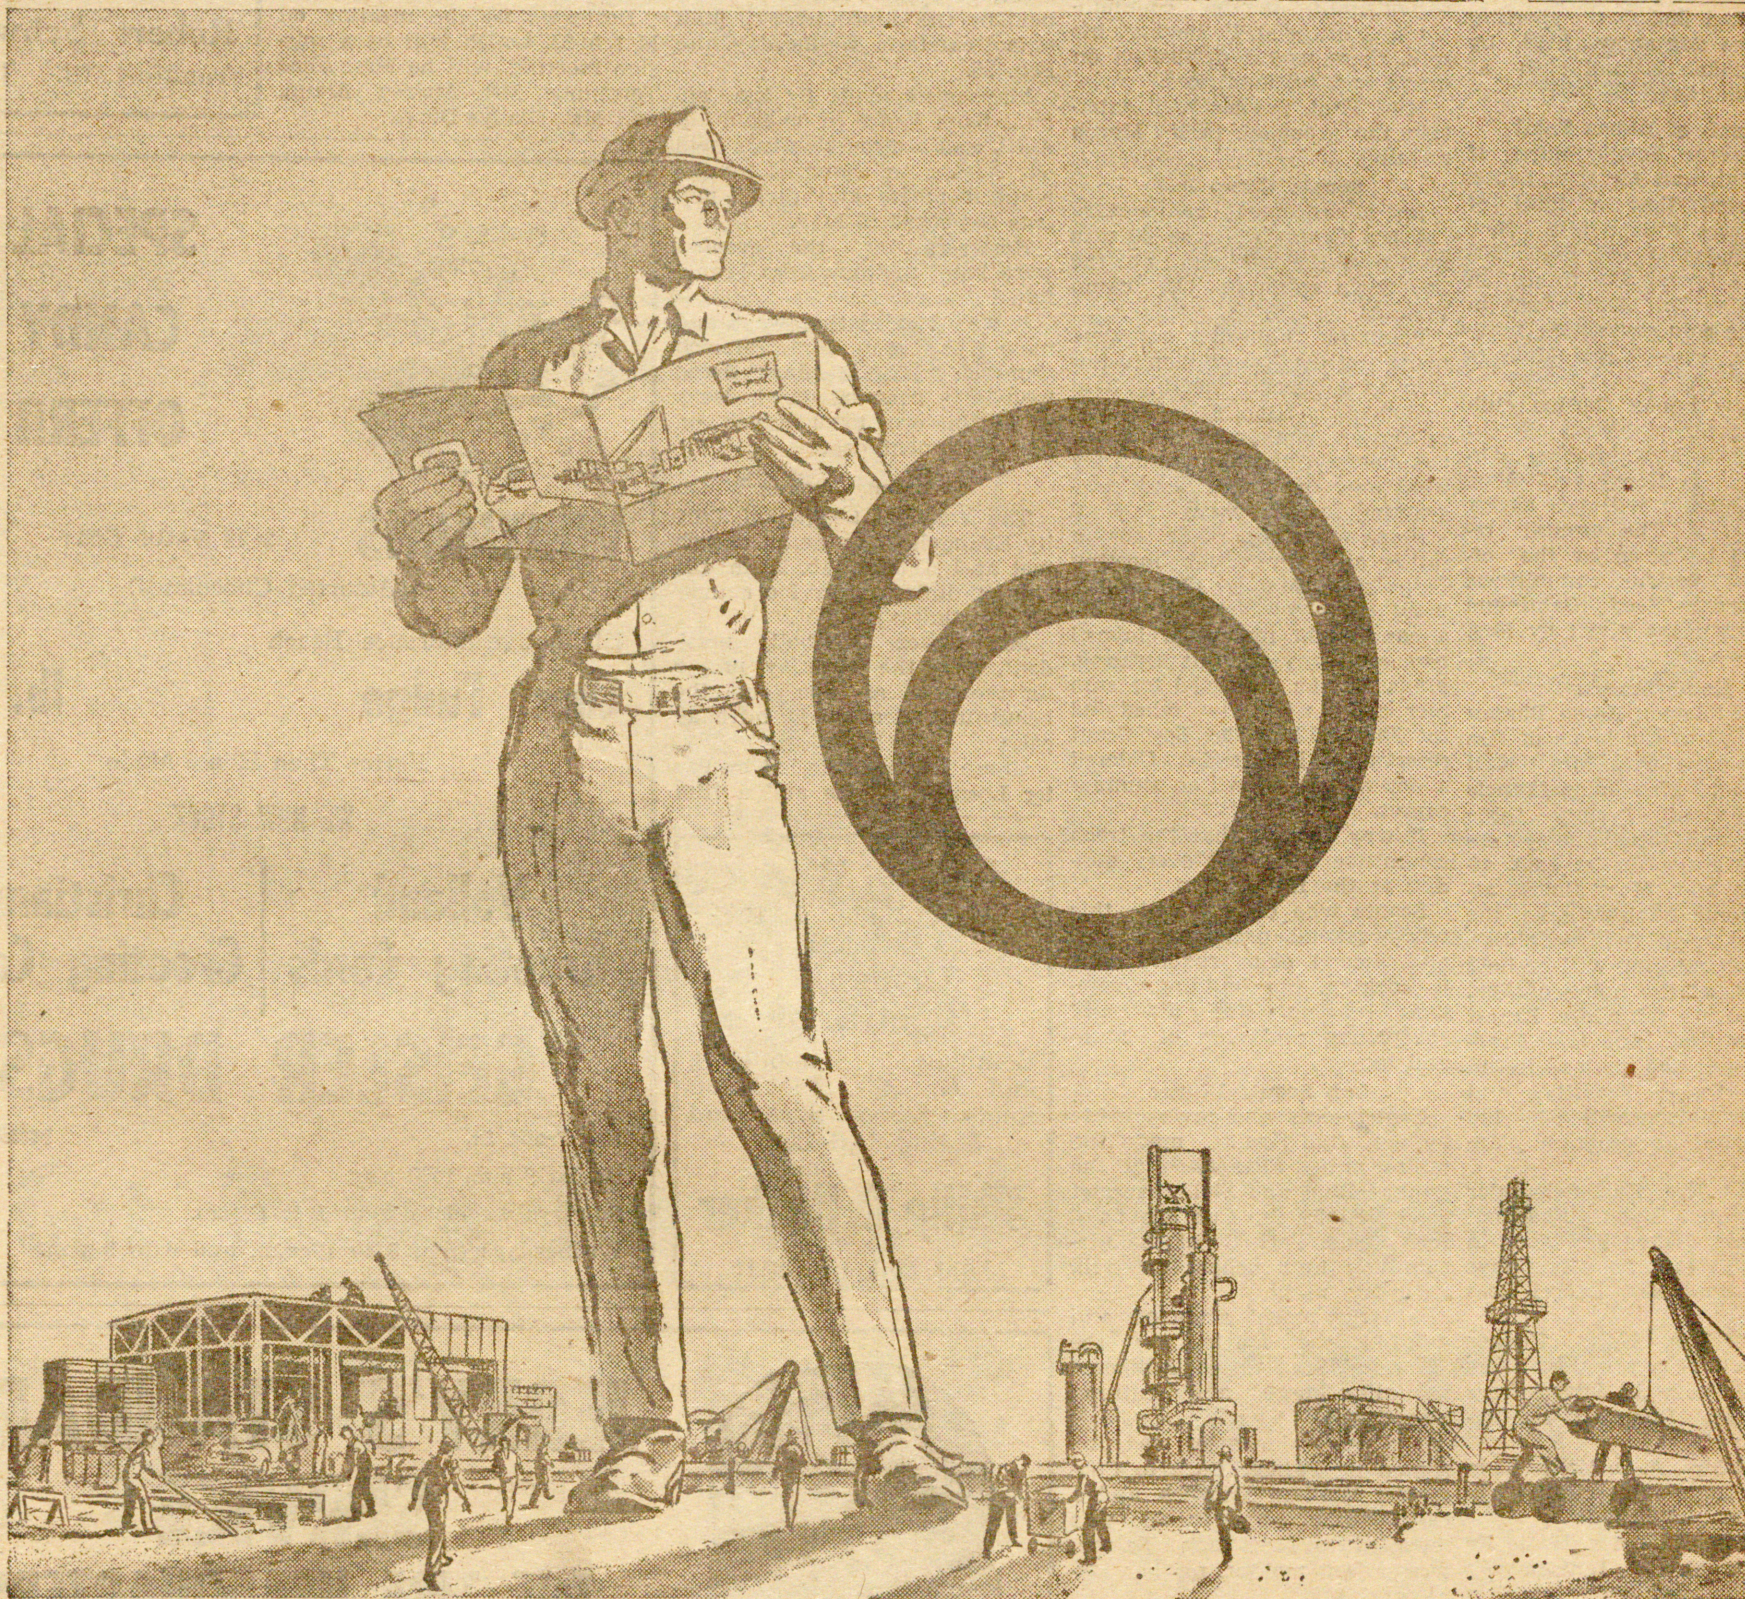

Other current key appointments made by Northern Illinois Gas included naming Mathew G. Markle to succeed Tuttle as manager of operation; C. Joseph Gauthier to fill the vacant assistant manager of operation

1957... a year of record growth

The Annual Report of Texas Eastern, just released, recounts many new records for the company...expansion of its facilities...increases in sales and revenues...and diversification of its operations.

Delivery and sale of natural gas to distributors for use in millions of homes and thousands of factories in Midwestern, Appalachian and Eastern Seaboard states exceeded 548 billion cubic feet (greatest in the company's history) compared with 497 billion cubic feet in 1956.

Consolidated net income for the company and its subsidiaries for 1957 amounted to \$2.52 per share on 8,372,510 common shares, compared with \$2.04 per share on the 7,218,100 common shares outstanding at the end of 1956.

Diversification keynoted the company's non-gas activities. In August, the company acquired La Gloria Oil and Gas Company as a wholly-owned subsidiary. La Gloria explores for and produces oil and gas, operates a large natural gas processing plant and one of the nation's most modern refineries. Texas Eastern completed the re-conversion of the Little Big Inch pipeline as a common carrier of

clean petroleum products, and this system, one of the nation's largest, is now in operation.

Natural gas reserves owned or controlled under contract by the company were substantially increased during the year. At December 31, 1957, total reserves were estimated by the company at 12,158,200,000,000 cubic feet, compared with 10,843,500,000,000 at the close of 1956. New sources of reserves available to Texas Eastern are being developed in Texas and Louisiana.

Production activities carried out by the company and its subsidiaries reached record levels. Total interest in gas production for 1957 amounted to 34,998,400,000 cubic feet, and in oil and products production to 3,091,727 barrels. Drilling and exploration activities were being carried on in fourteen states at year-end.

Thus, in 1957, Texas Eastern built solidly for the future...placing itself in position to serve the nation more effectively, and to assure a dependable and continuing supply of natural gas and petroleum products.

Mrs. Charles Werner entertained the members of the Morning Circle in her home Feb. 26. Mrs. Lester Koerner assisted. Mrs. Lloyd Berlin conducted the meeting in the absence of the president, Mrs. Frank Goetschel. Mrs. Werner gave the devotions. The next meeting will be held in the home of Mrs. Walter Gougar Jr., with Mrs. Harlow Jensen, as co-hostess.

Mr. and Mrs. Russell Kohlhaugen and sons of Rensselaer, Ind., and Mr. and Mrs. Clinton Hasenjaeger and children of Joliet were dinner guests Sunday evening of Mr. and Mrs. George Hasenjaeger.

Miss Emma Bauch of Joliet is assisting in the home of Mr. and Mrs. Roderick Rainford while her sister, Mrs. Rainford, was a surgical patient last week in Silver Cross hospital. The latter has returned home and is convalescing nicely.

Mr. and Mrs. Vincent Shortinger returned home last Sunday via train from California from an 11 weeks vacation. They stayed with his brother and family, the Frank Shortingers at Stockton for 2 months, around the Orland and Alpine

On March 1, the Alpine Girls 4H club set up their window display for 4H club week March 1-8. The different clubs are doing this through out Cook county. These will be judged to see which clubs have the best displays.

The Alpine Girls display is on Steps to a Balanced 4H Program. It is located in the front window of the Yunker Implement Co., at 159th st. and Wolf road. Everyone is urged to view the window and observe what the 4H clubs are doing.—Elaine Yunker, reporter.

Seeing Alligators Later-Say As Purse or Shoes-Is Safest Way

By ROBERTS MANN
(Conservation Editor Coe. County Forest Preserves)

The crocodilians, which include alligators, caimans, crocodiles and the gaviol, are living fossils—swamp-dwelling survivors from the Age of Reptiles when dinosaurs ruled the earth. Almost every tropical country has one or more kinds of them and in Colombia, South America, there are seven or eight. Only the two species of alligators live in more temperate regions: one in the United States and the other, almost extinct, in the Yangtze valley of China.

The American Alligator is now common only in the watery interior of Florida, the great Okefenokee Swamp and the Louisiana bayous. The American Crocodile, of which a few remain in Everglades National Park and the Florida Keys, ranges thru the West Indies and from southern Mexico to Ecuador. The most obvious difference between them is that an alligator's snout is much broader. The crocodile is far more vicious.

The body of a crocodilian merges imperceptibly into its massive tail which serves to propel the animal in water and also as a weapon. With a swift sideswipe of that tail, a big "croc" can knock a man down and break his leg. On land, except when sliding into water, the body is carried considerably above the ground by its four thick legs—sometimes at amazing speed. The back is protected by a tough armor of horny scales reinforced by plates of bone.

Smells all, Sees all

A crocodilian gets most of its food in water and takes to water for protection, but loves to bask on sunny banks and the females must have land on which to lay their eggs. Its nostrils are on top of the tip of the snout and its eyes are on top of the head, so that when completely submerged except for those four inconspic-

uous bumps, the sly creature can breathe comfortably while watching all around it. The air passage from the nostrils to the throat and lungs can be closed by a flap, enabling it to seize an animal under water or remain there several hours without drowning.

Alligators dig deep caves, sometimes 40 feet long, with an entrance below the surface of a favorite pool or stream, where they retreat from danger and spend the winters. During the spring mating period both sexes, especially the males, wander from place to place. Then, at night, the bulls are very noisy. Their bellow is a deep booming roar that can be heard a mile away.

The female builds her nest on a spot of high ground, gathering fresh vegetation, trash and mud which, with her snout and belly, she fashions into a

mound which may be three feet high. In this she lays several dozen long leathery eggs and, for two months, jealously guards them while they are incubated by the heat of the sun and decaying debris. When they are ready to hatch, and the young make grunting noises inside their shells, she tears off the top of the nest so that they may escape and forage for themselves. Few survive the feet long. Until then, in many first year, most of them being eaten by other creatures of the swamp.

An alligator grows rapidly. By the end of the first year, it is about 18 inches in length. In five years it may become six

Florida counties, an alligator length. Nowadays their numbers may not legally be captured nor hunted for its valuable hide. In the 1700's the naturalist, William Bartram, reported alligators so thick in the St. Johns River, Florida, that he could have crossed that broad stream by walking on their backs and some measured 20 feet in length. Nowadays their numbers have been greatly reduced and few get to be more than 10 feet long. Unless it is teased, or guarding its nest, an alligator will rarely attack a person. A few kinds of crocodiles, however, are habitual man-eaters.

Claims DDT Kills Carriers of Dutch Elm Disease

Communities that let dread Dutch elm disease run rampant may be squandering good chunks of city treasuries and losing priceless street and highway assets.

Dutch elm control is practical today both economically and aesthetically, according to Martin L. Davey, Jr., who heads

the Davey Tree Expert Co. with properly yearly DDT spraying plus reasonable sanitation, annual losses of stately American elms can be kept within one or two per cent.

A city that stands to lose 1,000 neglected elms in relatively short time can expect to find the budget strained to the tune of from \$75,000 to \$150,000 for removals. A street tree may be sprayed as many as 50 times for the cost of taking it down.

Dramatically where good con-

trol measures are enforced the loss from Dutch elm disease is well below the rate that can be expected from other causes.

The removal of infected elms combined with annual DDT spraying will give effective control of the elm bark beetles, the carriers of the Dutch elm disease. Communities with large elm populations should make arrangements now to get men and spray equipment on the scene. Weather conditions favorable for spraying often are

limited to relatively few days in late Winter and early Spring.
